Sales Assistant (m/w/d)

Join our team now at our European headquarter in Fürth.

About us:

Taiyo Yuden is a Japanese corporation headquartered in Tokyo. With approximately 20,000 employees worldwide, electronic components are developed, manufactured and distributed globally. The European headquarter in Fürth is responsible for the support of well-known customers in the EMEA region (Europe, Middle-East, Africa) who are supplied out of our central warehouse in Fürth.

Your skills and experiences:

- Fluent in English written and spoken
- Confident use of computer applications (MS-Office) and ideally experience with SAP
- Joy in working with customers and colleagues and cost-conscious thinking
- Analytical thinking and numerical comprehension
- Teamspirit and good organizational skills

Your Role:

- Support daily sales business e.g. process customer inquiries and environmental related requests
- Assistance of the processing of requests and projects (e.g. approval documents, etc.)
- Process customer quotations in cooperation with a Team and maintenance price lists continuously
- Support with the input, maintenance and updating of sales promotion themes as well as follow-ups with the customer

Why join us?

- a welcoming working atmosphere in an international environment
- Flex time model and 30 days of annual vacation
- performance-related bonus payments in addition to a fair salary
- Investment contributions and company pension plan, financial benefit for public transport ticket "Deutschlandticket"
- discount on gym in vicinity and an additional company health insurance
- good traffic connection and designated parking spaces
- social events like corporate run, barbecue in summer and christmas party
